

Educator Evaluation

Although we understand your time is valuable and limited, please take 10 minutes to provide your feedback as it will help improve the volunteer's delivery of future activities and improve our program. Your comments especially are important. Thank you.

Please return to the volunteers, fax to (905) 522-2509 or email to ltsp@mcmaster.ca

Your name(s)

School name or name of organization

Name of the activity

Date _____

Time the activity happened (closest hour, 10:15 = 10, 10:45 = 11) _____

Improve your knowledge of the topic _____

Encourage you to do more hands-on science _____

Encourage you to address current issues in science _____

Please add any additional comments on the program here.

For educators in rural and remote areas, what is the likelihood of a postsecondary student or researcher interacting with your class if it wasn't for this program?

Your comments are important. With your permission we would like to use them on our supporter applications and reports, newsletters, brochures, etc. If you don't mind if we use your comments with your name following, please circle yes below.

I agree to allow LTS the right and permission to use, reproduce, publish, transmit, distribute and display answers that I have written, with my name following the quote.
Please circle one **YES** **NO**

Thank you for taking the time to fill in this evaluation!
