- 6 units Electives

LEVEL IV: 30 UNITS

- 12 units from Psychology Course List 2
- 12 units courses as specified for the other subject
- 6 units Electives

Students may combine Honours (BA) Psychology with another subject from the Faculty of Social Sciences, the Faculty of Humanities, or with Arts & Science provided they meet the entry requirements for both programs. Students will normally complete 36 units of work beyond Level I in each subject area. Students graduate with a Combined Honours degree. This is particularly appealing to students who have more than one area of interest.
