### Year

- **I**: 18 units from course list 2

- **II**: 9 units from course list 1

- **III**: 6 units

- **IV**: 6 units

---

**Note:** The course titles listed may be subject to change. Please check the official university catalog for the most current information.
Program Notes

L'level is strongly recommended.

Enrollment in the program will require a grade point average of at least 6.0 at the next academic review.

Students must complete all prerequisites before enrolling in the program. A grade of C- or better in any of the following courses is required:

- ENVR 1003, 1004, 2004, 3004, 4013
- ENVR 2009, 3009
- ENVR 2010, 3006
- ENVR 3006, 4006

Note: Students who failed these courses may be re-enrolled in the program after successfully completing the required courses.

Admission Notes

Selection of courses for professional registration is at the discretion of the student and Earth Sciences. Substitutions are not permitted.

Students should meet the academic requirements for professional registration of Geosciences in

- GEO 2013, 2021, 2039, 3039, 4039
- ENVR 3003, 3004, 3014, 4004, 4005
- ENVR 3006, 4006, 4007
- ENVR 3009, 4009, 4010
- ENVR 3009, 4010, 4011, 4012
- ENVR 4006, 4007

Note: Approval to hold an Earth and Environmental Sciences Program

Environmentalism and Environmental Science

Students interested in pursuing a degree in Environmental Science or Environmental Studies are encouraged to consult with their academic advisor or the Academic Advisor for Earth and Environmental Sciences.
