## Saturday, September 28, 2019

***Join us for our milestone 50th anniversary!***

Alumni, faculty, staff and students are invited to celebrate McMaster Kinesiology and our Phys Ed history! Growing from our pioneering BABPE program, 2019 marks the 50th anniversary of McMaster's four-year Phys Ed degree program. Originally known as CAPE, then BPE, we have evolved into the BScKin program as offered today through the Faculty of Science.

Saturday, September 28, 2019 will be a day of socializing, learning, reconnecting with Mac and, of course, there will be a party! Mark your calendars now and plan to be there. Full details will come your way soon, and in the meantime please share this with any fellow former classmates you are in touch with in case we do not have their contact information. More to come!

See you in September!
